## NATIONAL EGG MARKET AT-A-GLANCE

In Chicago, prices were higher on the larger sizes and unchanged on the remainder. Prices in all other locations were unchanged. The market tone was steady to fully steady, instances firm. Demand was moderate to good, best where features were planned for next week. Supplies were usually adequate to at times close for current requirements. Breaking stock supplies continued tight to short in the Central region but were sufficient in the East. Demand for additional product was moderate to good. Light type fowl were at least sufficient to fully sufficient for regular processing schedules.

**NORTH ATLANTIC** Prices were unchanged in all areas. The market tone was generally steady entering the weekend. Demand ranged moderate to good, best where features were in progress or planned for next week. Supplies were adequate and held with confidence. Breaking stock offerings were sufficient for the moderate to good demand. Light type hens were at least adequate to fully adequate for the mostly light and unaggressive demand. Processing schedules were reported as normal.

**NEW YORK** Prices ended the week unchanged. The market tone ranged steady to fully steady. Demand was moderate to occasionally good entering the holiday weekend. Supplies were adequate for requirements at current price levels.

**MIDWEST** Prices to producers in Iowa-Minnesota-Wisconsin were 1 cent higher for large and were unchanged for medium and small. Prices in other areas remained unchanged. Trade sentiment was steady to at times firm, usually steady to fully steady. Retail demand was generally moderate to instances good where features were in place. Food service movement was mostly moderate. Supplies were reported mostly adequate to close at times. Central States nest run breaking stock prices were unchanged with checks and undergrades higher. Offerings continued tight to short with many breakers slowing production and watching the market as they resist higher trending prices. Breakers' schedules were full with most reporting regular business their main concern at this call. Demand was generally good with a few breakers actively seeking additional heavy nest runs. Trade sentiment steady at the current quoted mostly value.

**CHICAGO** Prices for extra large and large advanced 1 cent, lighter weight sizes unchanged. The market tone was steady to firm. Demand into all outlets moderate to good and best where specials are planned or in progress. Offerings adequate.

**SOUTHERN** Prices ended the week unchanged. Asking prices for next week's deliveries were trending unchanged from current week. The market tone was steady entering the weekend. Demand was light to moderate, best where features were planned for next week. Supplies were adequate for trade needs. Breaking stock demand was moderate to good for sufficient supplies. Light type fowl were at least adequate to fully adequate for normal schedules.

**WEST COAST** Prices unchanged. The market tone was fully steady to firm with asking prices for next week unchanged to 1 cent higher on jumbo and extra large, 1 cent higher on large, and unchanged to 2 cents higher on medium. Retailer demand seasonally good and aided by widespread features. Offerings lighter for an increased buyer interest.
